When your **personal information changes** (e.g. new affiliation, new name, new contact), the **ORCiD stays valid** and will resolve to the updated metadata record.

The DOI Foundation is a not-for-profit organization. We govern the Digital Object Identifier (DOI) system on behalf of the agencies who manage DOI registries and provide services to their respective communities. We are the registration authority for the ISO standard (ISO 26324) for the DOI system and we are governed by our Registration Agencies.

Read more about us, our operations and our community of communities from construction to entertainment to scholarly research.

LEARN MORE →

- PIDs ensure sustainable retrievability of any kind of web resource
- PIDs are connected to metadata records describing the resource and can be used to unambiguously identify objects on the web
